The International Society for Sandplay Therapy

invites you to an

Intensive Training Week in Sandplay *on the Isle of Malta in the Mediterranean Sea*

Home to ancient megalithic stone sites and steeped in Great Mother mythology, the isle of Malta offers an inspiring container for introspection, study, and multi-cultural exchange. Join us for a week of in-depth study including Great Mother mythology, Sandplay presentations, case supervision, and experiential learning from experienced ISST Teaching Members. The Intensive is open to students of all levels from beginner to advanced. Be one of the approximately 40 students accepted on a first come, first serve basis.

Look for detailed program and registration information to follow in early fall.
